## **Kelsey Schutte**

Owner/Director

I began my dance education at the age of three where my passion and dedication prepared me to successfully compete in dance competitions, attend master classes, conventions, and intensives around the US. I also had the opportunity to attend "Vegas Week" on the hit TV show, "So You Think You Can Dance".

While earning a BA in Dance from the University of Minnesota- Twin Cities, I performed many different dance works within the dance program as well as outside companies. While in college I pursued my love of teaching at a nearby dance studio, and furthered my education by getting certified in barre pilates. In addition I trained at multiple summer dance intensives, one at which I extended my stay at the San Francisco- Conservatory of Dance, where I advanced my knowledge and love for classical ballet and contemporary dance.

I'm so grateful to be fulfilling my dream of not only being an entrepreneur, but also teaching and guiding dancers to be the best version of themselves. I look forward to another special year of classes full of rigor, focus, creativity, and fun!
